Title: Leap of Fate - Soundtrack
Developer:
Vibe Avenue
Publisher:
Vibe Avenue
Release Date: 20 May, 2016

b4d347fde0

English

The music added a lot to my enjoyment of the game, and if you're a fan of electro/symphonic/metal hybrids, you'll definitely enjoy the music outside of the game as well. For this price, it's easily worth buying.
